

Element SSK-V

27" Touch Screen Self-Service Kiosk

Discover the perfect blend of value, style, and efficiency with the **Element SSK-V Kiosk Series**. Designed for modern retail environments, this sleek and compact kiosk seamlessly integrates into any store layout, optimising space without compromising aesthetics.

Featuring a 27" touch screen, the Element SSK-V provides an intuitive, user-friendly interface that enhances customer interaction. Its stylish design fits effortlessly into various store environments, adding a touch of modern elegance. The unit comes in a standard desktop modular configuration, with the option to switch to Wall or Pole stands.

With multiple payment add-on options, including EFT, MSR, or both, the Element SSK-V accommodates a wide range of customer preferences. Advanced scanning capabilities, featuring a 1D and 2D barcode scanner, read effortlessly from phone screens, streamlining the checkout process.

Designed for simplicity, the Element SSK-V ensures hassle-free maintenance, reducing downtime and costs. Elevate your store's efficiency and customer experience with the Element SSK-V kiosk, where innovative design meets robust functionality.
