ELEMENT TANSO

10.5" POS Tablet

THE EVOLUTION OF DESIGN, QUALITY AND PURPOSE

Meet the Element Tanso POS Tablet—a fusion of elegance and power. Boasting a vibrant display, Windows 11 efficiency, and an Alder Lake-N, N100 processor with 4 cores, 4 threads, and up to 3.4GHz boost, it redefines on-the-go productivity. Tanso comes equipped with Intel® UHD Graphics, IPS resolution, and 4K media decoding to deliver a truly immersive media experience.

Added convenience with the included protective case featuring a kickstand and handle.

WHY ELEMENT?

Element is a technology provider specialising in systems that enable customer service and engagement.

We design and build devices that are used by customers and with customers, wherever they need service. Our mission is to help our clients engage with their customers to increase trust, convenience and loyalty.

We provide 'point of service' devices - for delivering information, assistance and sales transactions wherever the customer needs them.

All our products are designed by experts with in-depth experience of how they will be used, and the demands that will be placed on them. That's what makes Element products tough, resilient, stylish and designed for purpose.

Element products are for retailers, QSRs, cinemas, shopping centres, event venues and healthcare providers who want to take customer service to the next level.

Element takes service to the customer, wherever they need it, through design, quality and purpose.

DESIGN. QUALITY. PURPOSE.
